

PCV2 DISEASES

Smile!
Profitability is back

circovac
pcv2 vaccine

PROTECTING WITH A SMILE CULTURE

CIRCOVAC is the first and only PCV2 vaccine.
CIRCOVAC reduces the impact of PCV2 in pigs, allowing them to grow and gain weight faster.
CIRCOVAC has an excellent safety record in the field.
CIRCOVAC is available in 100g and 500g vials and is easy to use.

With CIRCOVAC, profitability is back.

june 22th to june 26th 2008
